CODE OF CONDUCT FOR ADULT STUDENTS

By applying and registering at a Lee County Technical College, or a Lee County Adult Education Program, all students agree to abide by all regulations, as published in the school catalog, the student handbook and other school publications, as well as federal, state and local laws.

As a post-secondary and adult education institution, the college or school expects students to be mature and responsible citizens at all times and places. Any student whose conduct or dress is in violation of the law, is a public nuisance or is deemed improper and detrimental to the school, and/or does not abide by the policies of a program may be subject to disciplinary action, including probation, suspension, dismissal or denial of reenrollment.

All high school students that attend an Adult Education Program at the Lee Technical Colleges or any other Adult Education sites are subject to the School District of Lee County Code of Conduct for Students – Grade 6 to Grade 12.

SCOPE OF AUTHORITY

The Coordinator, Principal, or Director of the school has the right to determine the appropriate response for the misconduct and the corresponding level of the offense based on the facts and circumstances of the incident in accordance with Florida statutes sections 1003.31 or 1006.61.

Proceedings of the investigation of each case and the action taken will be officially recorded. Students are expected to respect the rights and welfare of other members of the school community and its guests. This district recognizes that a thoughtful and reasoned search for truth can be conducted only in an atmosphere that is free of intimidation and coercion. As such, violence, the threat of violence, disruption to the learning process and intimidation are unacceptable to the adult learning community. Students are expected to assume full responsibility and will be held accountable for their individual or collective actions.

Certain conduct and actions while on campus shall be considered improper conduct and shall be subject to disciplinary action which may include suspension or withdrawal. Each case will be reviewed on an individual basis by the director or his/her designee giving each student the fundamental right of procedural due process. The degree of formality associated with a conference or hearing in the determination of a suspension or withdrawal will depend upon the nature of the offense and the severity of the sanctions that may be imposed as a result. Only the School Principal, School Director, or their designee has the authority to suspend a student. Only the School Principal School Director, or Assistant Director has the authority to withdraw a student.

STATEMENT OF NON-DISCRIMINATION POLICY

The School District of Lee County does not discriminate on the basis of gender, race, color, age, religion, sex, sexual orientation, national or ethnic origin, marital status, or disability in the provision of educational programs, activities or employment policies as required by Title IX, Title VI, Title VII, Age Discrimination Act of 1967 and Section 504 of the Rehabilitation Act of 1973, 1992, Americans with Disabilities Act, the Florida Educational Equity Act of 1984 and the Boy Scouts of America Equal Access Act. Established grievance procedures and appropriate discrimination complaint forms are available from the Departments of Professional Standards and Equity or Student Services or the equity coordinator at each school. Complaints/inquiries regarding compliance with these regulations may be submitted in writing to: Michelle Freeman, Director of Professional Standards & Equity. All programs and courses are open for enrollment to all students without regard to race, color, sex, creed, religion, age, national origin, pregnancy, or handicap. Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

DIVERSITY

The School District of Lee County is committed to building and maintaining a diverse, accessible, civil, and supportive learning community. It fosters respect and understanding among all cultures and all individuals who work, study, live, and teach within this community. Bigotry, expressions of hatred or prejudice, behaviors that infringe upon the freedom and respect that every individual deserves, and harassment of any kind transgress the school's purposes and values. Just as learning benefits from the interplay of teaching and scholarship in a variety of disciplines, so does the school community learn and profit from diverse cultures and perspectives.

FEDERAL DRUG-FREE SCHOOL ACT

Federal legislation has been passed as part of the war on drugs. This legislation is intended to convey to students of any institution receiving federal funds (contracts, grants, student financial aid, etc.) the health risks which exist for those who abuse alcohol or drugs. In addition, penalties for those who violate school standards are in place and consistently enforced.

DRUG-FREE SCHOOLS

The unlawful manufacture, distribution, possession or use of a controlled substance or the unlawful possession and use of alcohol is wrong, harmful, and prohibited in or on The School District of Lee County owned and controlled property or as part of any of its activities.

TOBACCO-FREE CAMPUS RULE

To provide a safe and healthful environment for employees, students, and visitors, and to minimize costs associated with health issues related to tobacco use, the use of tobacco products is prohibited on any and all property, including land, buildings, or vehicles, owned or operated by The School District of Lee County, whether indoors or outdoors, all day, every day, whether school is in or out of session. For purposes of this rule, "Use of Tobacco Products" means smoking, burning, chewing, snuffing, dipping, or otherwise ingesting or deriving the effects of tobacco and shall include the use of tobacco-like substances or products intended to provide or simulate the effects of tobacco including, but not limited to, electronic cigarettes or similar devices.

SEXUAL HARASSMENT POLICY

Sexual harassment undermines the integrity of the academic and work environment and prevents its victims and their peers from achieving their full potential. All members of the school community are entitled to work and study in an atmosphere free from sexual overtures or innuendoes that are unsolicited and unwelcome. It is the particular responsibility of those members of the school community who hold positions of authority over others to avoid actions that are or can be considered sexually abusive or unprofessional. The school provides an equity coordinator for help in these matters.

ANTI-BULLYING INFORMATION

The Jeffrey Johnston Stand-Up-for-All-Students Act became a law in June 2008. The School Board of Lee County has approved a board policy which states their guidelines for the identification and reporting of bullying, expectations for behavior, procedures, and consequences regarding bullying and harassment. In short, The School District of Lee County will not tolerate any form of bullying or harassment between students and/or adults on our school campuses. Our goal is protection of our students and provision of a safe and nurturing educational environment for all of our students and staff.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA) **RELEASE**

For adult students, the Family Educational Rights and Privacy Act of 1974 (FERPA) Release provides for the confidentiality of student education records. The technical colleges may not disclose educational information nor permit inspection of a student's education records without the written permission of the student unless such actions are covered by certain exceptions as stipulated in FERPA.

STUDENT DRESS CODE REQUIREMENTS

The dress and grooming of students shall contribute to the health and safety of the individual, promote a positive educational environment, and not disrupt the educational activities and processes of the school. These minimum standards of dress and grooming apply to all students in The School District of Lee County. Programs have specific dress code requirements. Student dress code guidelines can be found in the student handbook, program syllabi, or Master Plan of Instruction.
