2017 SUMMER READING PROGRAM

MAY 22-AUGUST 9

- 9 Ask your parent or grandparent to tell you a story about when they were kids. What did they like to do? Where did they live?
- 10 Plan a family movie night! Borrow a favorite DVD from the library, grab a yummy snack, and gather the family for a special evening together.
- 11 Do an act of kindness: Give someone a compliment. It takes only a sentence to make someone's day!
- 12 Create a new ending for a favorite book, TV show, or movie. How would you change the story? Draw a picture or write your new ending.
- 13 Go stargazing after dark! How many stars can you spot in the night sky?
- 14 Try a new food. The next time your parent visits the grocery store, ask to come along and choose a new food you've never tried before. Maybe an interesting fruit, like kiwi? Or a tasty veggie, like sweet potatoes?
- 15 Check out a joke or riddle book. Make someone laugh today!
- 16 Create a pretend restaurant menu. What foods would you serve? What's the name of your imaginary restaurant? Draw a picture of your signature dish.
- 17 Ask your parent or grandparent where your family is from. Check out a book about this part of the world.
- 18 Read a book from a genre that you've never tried before. Do you always choose fantasy books? How about trying a sports book instead? Or maybe a funny book? You might find an unexpected favorite!
- 19 Share a favorite book with someone you think would enjoy it!
- 20 Imagine there are secret tunnels underneath your neighborhood and your school. Draw a map of your imaginary tunnels. What would you find underground?
- 21 Share a favorite joke or riddle with your librarian.
- 22 Give a smile and a hug to someone special today!
- 23 Check out one book from each section of the children's nonfiction collection. There are 10 sections all together (000's, 100's, 200's, 300's, 400's, 500's, 600's, 700's, 800's, and 900's). You just might find a new favorite topic!
- 24 Make up your own lyrics to a song.
- 25 What's the most delicious meal you can imagine? What's the absolute worst? Draw a picture or write a story about these foods.
- 26 Challenge a favorite adult to a Dance Off! Take turns showing off your best dance moves. Who has the most original moves? How about the funniest?
- 27 What do you want to do when you grow up? What job would you love to have? Places you want to travel? Write or draw your dreams for your future self and share them with a favorite grownup.
- 28 Go on a bike ride. Get some fresh air outside with a family bike ride after dinner.
- 29 Go cloudwatching. Grab a beach towel and head outside to view the sky. Can you find a cloud shaped like an animal? Watch closely as they move and change shape.
- 30 Try some poetry! Browse the poetry books at your library. Shel Silverstein and Jack Prelutsky are popular choices. Find some poems you enjoy and do a poetry reading for your family at dinnertime.
