Please review the committee descriptions below and choose the committee(s) you would like to apply for.

Continuous Systemic Improvement Advisory Committee will provide input, advice and support related to the performance of periodic audits to ensure compliance with statutory, regulatory and policy directives, and the development and implementation of continuous improvement initiatives.

Construction Advisory Committee will provide input, advice and support to the five-year capital plan. This committee shall also review proposed new construction and renovation projects and review plans for compliance with safety-to-life issues.

Curriculum Advisory Committee will provide input, advice and support to curriculum content, materials and assessment instruments and to the school improvement process. The committee will also provide input, advice and support to District-wide technology issues and promote the integration of technology into the home and school learning environments.

Finance Advisory Committee will provide input, advice and support in the preparation of the operating and capital budget for the School District of Lee County; and in the development of schedules of compensation for District staff and Board Members.
