New Business

A motion was made, seconded and passed to table New Business.

Old Business

Richard Itzen discussed the Spring 2008 Survey Results vs. 2007. Richard Itzen indicated the district use of the survey for the third year with the exact same questions, so now we can look at trend data. The committee discussed several issues about the survey. A discrepancy was noted between the parent responses and teacher/staff responses. Some confusion was expressed on the wording of the questions for each group. The question was raised on how the survey data could be used for school improvement. A motion was made, seconded and passed for Chairman Nick Kellen to ask the Board and Superintendent for clarification on what the purpose of the survey is and what the intent of the use of the data of the survey is.
