Vocational, Adult and Community Education Course Fees

- (1) Vocational fees shall be determined within the parameters and guidelines mandated by the State. Fees may be waived for eligible students and any others so designated by the School District.
- (2) Reasonable fees may be charged to students or adults for participation in enrichment classes or activities, and in approved community schools programs when the cost of instruction and supplies exceeds any State or federal funds provided for such activities or programs. The schedule of fees for adult, vocational, and community courses shall be reviewed annually and adjustments made when appropriate. Any fees collected shall be accounted for in accordance with policies of the School Board.
