---

The meeting was called to order at 3:10 p.m. by Mr. Snell.

### Welcome

Ms. Scott welcomed the committee members and asked the committee members for a motion to approve last month's meeting minutes.

**Motion** by Mr. Spicker to approve last month's meeting minutes, **seconded** by Mr. Dambrose, and **carried 7-0**.

### Board Member Comment

- Update on the new high school property site in the south zone for "LLL". The District will most likely be looking for a new site to build on other than the current Bernwood site.
- The Student Advisory Committee meeting had their first meeting. Our students are the most interesting, best and brightest kids. One student created a brilliant new transportation option for our District to consider.
- The school board will be discussing protocols at our next meeting. Possibly some reorganizing and discussion of how we run as a board to prepare for the next two board members that will be joining us.
- Update on testing – resolution was sent to the governor to get involved with student testing.

### Topic of Discussion

- New High School – Separating Buildings
  - Possibly separating the current high school footprint to separate buildings for better security

### Public Comment
