NOTES:
(a) District allocations multiplied by percentage from item 6A.
(b) District allocations multiplied by percentage from item 6B.
(c) District allocations multiplied by percentage from item 6C.
(d) Proceeds of millage levy multiplied by percentage from item 6A.
(e) Consistent with Chapter 1006.21, Florida Statutes and DOE Student Transportation General Instructions
(f) Teacher Lead Program Allocation per 1012.71, Florida Statutes
(h) The Digital Classroom Allocation is provided pursuant to s. 1011.62(12), F.S., and requires that charter schools submit a digital classrooms plan to their school district for approval by the Department of Education prior to distribution of funds.
(i) The Federally Connected Student Supplement provides additional funding for students on federal lands that receive Section 8003 impact aide pursuant to s 1011.62(13), F.S.
Administrative fees:
Administrative fees charged by the school district pursuant to s. 1002.33(20)(a), F.S., shall be calculated based upon 5\% of available funds from the FEFP and categorical funding for which charter students may be eligible. For charter schools with a population of 251 or more students the difference in the fee calculation and the fee withheld may only be used for capital outlay purposes specified in s. 1013.62(2), F.S. To calculate the administrative fee to be withheld for schools with more than 250 students, divide the school population into 250. Multiply that fraction times the funds available, then times 5\%.

For high performing charter schools, administrative fees charged by the school district shall be calculated based upon 2\% of available funds from the FEFP and categorical funding for which charter students may be eligible. For charter schools with a population of 251 or more students the difference in the fee calculation and the fee withheld may only be used for capital outlay purposes specified in s. 1013.62(2), F.S. To calculate the administrative fee to be withheld for schools with more than 250 students, divide the school population into 250. Multiply that fraction times the funds available, then times $\mathbf{2 \%}$.
Other:

FY17 3rd Calculation - October FTE Adj - Acceleration Middle Charter All charter school calculator
12/19/2016 7:56 AM

FEFP and categorical funding are recalculated during the year to reflect the revised number of full-time equivalent students reported during the survey periods designated by the Commissioner of Education.

Revenues flow to districts from state sources and from county tax collectors on various distribution schedules.
