### Equity Amongst Schools

The School Board of Lee County shall exercise its general authority to:

- (1) Ensure equity amongst schools in the following areas:
  - (a) Personnel
  - (b) Curriculum and academic offerings
  - (c) Instructional materials and supplies
  - (d) Extracurricular activities
  - (e) Facilities
  - (f) Transportation
- (2) Equitably allocate resources and funds for textbooks, library resources, and other instructional materials based on student full-time equivalent membership, identified needs for the ensuing school year, the grade levels of the school, and the instructional program to be served.
- (3) Establish District goals and priorities to ensure quality operation and positive stewardship for public trust and fiscal responsibility.
