Eye Protection Devices

The principal shall inform all teachers in chemistry, physics and chemistry-physics laboratory courses, as outlined in Section 1006.063, Florida Statutes, of the requirements relating to the wearing of eye protection devices. The principal shall direct such teachers to carry out the provisions of law without exception and at all times as required.

- (1) The School Board shall provide eye protective devices for students and visitors.
- (2) The student shall be required to wear the eye protection device as directed by the teacher when engaged in activities listed under the eye protection device law.

STATUTORY AUTHORITY: 1001.42, 1001.43, 1006.063, F.S.

Adopted: 1/6/09 (Formerly: Policy 2.14)
