

Infection Control Checklist for K-12 Schools

In anticipation of K-12 school facilities reopening for instruction, this infection control checklist and ordering information reflects predicted items of need for infection control materials and PPE.

**Note: This checklist does not address the routine use of PPE as normally indicated for completion of typical, daily medical procedures for students.*

SCHOOL BUILDING	FOOD AND NUTRITION SERVICES STAFF
<ul style="list-style-type: none"> <input type="checkbox"/> While students will be encouraged to bring hand sanitizer, sanitizer (with at least 60% alcohol) will be made available in the common areas of the school (i.e., in the cafeteria, main office, hallways, and bus ramp area). <input type="checkbox"/> Hand soap 	<ul style="list-style-type: none"> <input type="checkbox"/> Cloth/disposable face coverings <input type="checkbox"/> Gloves
