I am applying for a waiver to attend The School District of Lee County/or a school outside of my zone  
I understand the following: (please initial all 6 statements)

\_\_\_\_\_ If the waiver is approved it will only be for a school with available capacity in the proper grade level and current ESE Placement (if applicable).

\_\_\_\_\_ Student may stay in assigned school until he/she completes the highest grade level in that school.

\_\_\_\_\_ I must reapply during the July Open Enrollment Assignment Period when my child is moving on to the next level of education (Elem-Middle, Middle-High).

\_\_\_\_\_ I am aware that I must provide transportation to and from the school.

\_\_\_\_\_ I understand that sibling preference will not apply for The Open Enrollment Period and that a waiver for each child will be considered individually based on the capacity of each grade level and SDM.

\_\_\_\_\_ Re-assignment waivers may be revoked due to suspension or expulsion in another county or excessive tardies, absences, or changes of Exceptional Student Education program and/or disciplinary offenses once assigned.

**Falsification of Information:** Falsification of information on transfer or appeals requests with the intent to circumvent established procedures or to unfairly gain advantage over other applicants is considered a serious offense. Section 837.06, Florida Statutes, provides that: "Whoever knowingly makes false statement in writing with intent to mislead a public servant in the performance of his/her official duty shall be guilty of a misdemeanor of the second degree, punishable in §775.082, §775.083...".

This approval is contingent upon adherence to the Lee County School District's attendance policy. Excessive absences and/or tardies may result in the waiver being rescinded. In addition, behavior in violation of the District's Code of Student Conduct may result in the waiver being rescinded.
