Parents' Bill of Rights

The Board is committed to honoring the rights of parents and promoting parental involvement in the District. The Board recognizes the fundamental rights of parents to direct the upbringing, education, and care of their minor children. To this end, the Board establishes the following standards and expectations. The forgoing policy supersedes all current practices and shall be deemed incorporated, as if fully set forth, in the student code of conduct.

(1) Parent Rights

(a) The Board recognizes the following parental rights:

1. The right to direct the education and care of his or her minor child;
2. The right to direct the upbringing and the moral or religious training of his or her minor child;
3. The right to enroll his or her minor child in a public school, or as an alternative, a private school, including a religious school, a home education program, or other available options;
4. The right to access and review all school records relating to his or her minor child;
5. The right to make health care decisions for his or her minor child, unless otherwise prohibited by law;
6. The right to access and review all medical records of his or her minor child, unless prohibited by law or if the parent is the subject of an investigation of a crime committed against the minor child and a law enforcement agency or official requests that the information not be released;
7. The right to consent in writing before a biometric scan of his or her minor child is made, shared, or stored;
8. The right to consent in writing before any record of his or her minor child's blood or DNA is created, stored, or shared, except as required by law or authorized pursuant to a court order;
9. The right to consent in writing before the school district makes a video or voice recording of his or her minor child unless such recording is to be used for the following purposes:

10. The right to be notified promptly if an employee of the school district suspects that a criminal offense has been committed against his or her minor child, unless the incident has first been reported to law enforcement or the Department of Children and Families and notifying the parent would impede the investigation.

- (b) This policy, however, does not preclude an employee of the school district from acting in his or her official capacity within the scope of his or her authority.
- (c) Any school district employee who encourages or coerces, or attempts to encourage or coerce, a minor child in to withholding information from his or her parent may be subject to disciplinary action.
- (d) Except as otherwise provided by law, an employee of the school district will not provide medicinal drugs to a minor child without first obtaining written parental consent.

(2) Promoting Parent Involvement

- (a) The school district shall provide parents with opportunities to participate in schools to improve parent and teacher cooperation in such areas as homework, school attendance, and discipline.
- (b) The school district shall provide parent opportunities to learn about his or her child's course of study, including the source of any supplemental education materials.
- (c) Parents will be able to object to instructional materials and other materials used in the classroom, based on beliefs regarding morality, sex, and religion or the belief that such materials are harmful.
- (d) Parents can withdraw their minor child from any portion of the school district's comprehensive health education that relates to sex education or instruction in AIDS
- (e) or any instruction regarding sexuality if the parent provides a written objection to his or her minor child's participation. Parents shall be notified in advance of such course

90 content so that he or she may withdraw his or her minor child from those portions of
91 the course.

92
93 (f) Parents shall have the opportunity to learn about the nature and purpose of clubs and
94 activities offered at his or her minor child's school.

96 **(3) Parent Requests for Information**

97
98 (a) A parent may request, in writing, from the Superintendent the information required to
99 be shared by this policy. Within 10 days, the Superintendent will provide such
100 information to the parent. If the Superintendent denies a parent's request for
101 information or does not respond to the parent's request within 10 days, the parent
102 may appeal the denial to the school board. The school board will place a parent's
103 appeal on the agenda for its next public meeting. If it is too late for a parent's appeal
104 to appear on the next agenda, the appeal will be included on the agenda for the
105 subsequent meeting
106

107 (b) The District will inform parents how to:
