Vendor questions/issues and District answers:

- Q1. We are bidding for Part B. I reviewed the Minimum Qualifications and we have everything except the Lead Abatement Supervisor certification. The industry usually only requires the RRP certification when dealing with Lead. Will I be ok with bidding Part B with just the RRP Cert?
- A1. *Yes. Please remove Lead Abatement Supervisor Certification from the minimum qualifications for Category B (page 12, section 3 & page 15, section h) of this ITN.*
- Q2. In response to the email sent out, I was wondering if our company could provide an estimate for Lee county school indoor air Quality Concerns.
- A2. *To be considered for these services you must submit a complete proposal. The solicitation for these services can be found on our District website: <http://www.leeschools.net/active-solicitations>*
