ADDENDUM TO CONTRACT DOCUMENTS

ADDENDUM NO.: 1

SOLICITATION NAME: ITN No. N237442DB – Aluminum Walkways, Covers and Canvas

DATE OF ISSUE: January 26, 2023

The following information shall be included in the ITN documents and is hereby made part of the contract documents in the form of clarification, addition, deletion or revision to the contract specifications.

NOTE: Questions from Vendors are posted exactly as they were received.

PROPOSERS' QUESTIONS/ISSUES AND DISTRICT ANSWERS (DISTRICT ANSWERS ARE ITALICIZED):

- Q1. Please clarify, on the Fillable Form there is a check box "Attended MANDATORY Pre-Submission Meeting". According to the specifications this was an optional Zoom meeting held yesterday 1/17/2023. Will the Fillable form be updated to reflect that the meeting was optional? Or should we cross out MANDATORY?
- A1. *There was an error on the Fillable Form regarding the Pre-Submission Meeting. It was noted as MANDATORY when it should have said OPTIONAL. Please cross out MANDATORY and insert OPTIONAL when submitting your form.*
- Q2. May we drop the \$200,000 surety bond cost? Otherwise we can't afford to pay for work we may not get.
- A2. *This is not a requirement to submit a proposal however, awarded vendors must be bondable for projects totaling over \$200,000.00. Performance and payments bonds are required if an awarded contractor is assigned a project totaling over \$200,000.00.*
- Q3. The Proposal Response Form has few items that the unit of measure (UOM) do not match what is actually provided. We encourage the School District to have the items modified to reflect what is actually fabricated and installed, hopefully these changes could be made and the form updated for everyone.
- A3. *Upon review, the Proposal Response Form has been modified and updated to reflect what is actually being fabricated and installed.*
