Changes in 2023 - 2024

- Create 3 new printed books (vs. 6 books) with the combined elementary and secondary codes
- Create a landing page for full content in place of ADA PDFs (which allows the user to access in multiple languages)
- Level 1-5 are now aligned with state coding
- Inclusion of QR Codes
- Removal of information that was not directly related to the code
- Threat towards a teacher moved to a level 2 offense

Changes in 2023 - 2024

Landing Page

  - Translations in Spanish and Creole for paper copies
  - Add new photos

Current Suggestions for 2024-2025 Code

- Consider moving Grand Theft and Hazing to Level 2
- Define personal electronics to include smartwatches
- Ensure discipline process clarifies parent and guardian involvement
- Ensure language for searches is aligned with state statute
- Include misuse of AI (under cheating)
- Increase consistency of discipline processes among schools
- Review horseplay vs. physical attack

03

Questions for Consideration

- Are there any areas that should be condensed further or that you think should be more accessible (not just through a QR code). If so, which ones?
- Has having one book for all grades helped with ease of use?
- Is there anything in the current code that you would like to see revised or updated?

Team Time to Review Questions

Regroup for Team Discussion
