---

The following information shall be included in the ITN documents and is hereby made part of the contract documents in the form of clarification, addition, deletion or revision to the contract specifications.

---

### Proposers' questions/issues and District answers (District answers are italicized):

Q1. I wonder if it would be possible to get an extension to 4/24. Given that we received the data late we could use additional time to load the data into our system and run our model. If you are unable to extend it to the 24<sup>th</sup> we would appreciate whatever additional time you are able to provide.

A1. *The date Proposals are due in Bonfire has been extended from April 10, 2023 at 2:00 PM to April 17, 2023 at 2:00 PM.*

There are no other changes at this time. Please acknowledge this addendum via Attachment D, Addenda Acknowledgement Form, in your submittal.

Thank you for your interest in The School District of Lee County.
