Summary of Hillsborough County Schools
RFP No. 23267-DST-IV
Turnkey School Bus Infraction Detection System
Bus Patrol America, LLC

Hillsborough County Schools RFP No. 23267-DST-IV

This contract will be utilized by the Safety, Security and Fleet Operations Department to capture real-time video monitoring of external school bus surroundings. The School District aims to enhance public safety by partnering with BusPatrol America, LLC to install, operate, and maintain school bus infraction detection systems. This includes back-office services to support a School Bus Infraction Detection System Program in compliance with Florida Statute section 316.173, enabling the District to monitor the exterior of school buses to improve student safety.

Entity Contract Dates

Effective Dates – July 11, 2024 through July 10, 2029

Renewal Dates - automatic extension for an additional five years - unless a 90-day notice of termination is provided by either party

SDLC Contract Dates – July 29, 2025 through July 10, 2029 (because there is -0- cost to the district)
