

## **ANNUAL EVALUATION FL-Certified Options**

Section 1002.41, F.S., requires the parent to provide for an annual evaluation of the home education student. Below is a list of teachers who hold current valid Florida Teaching Certificates and are available for assistance with your student's annual evaluation. However, The School District of Lee County does not necessarily endorse these teachers as the *only* means of testing or evaluating. The parent may secure the services of any current valid certified/licensed teacher or psychologist.
