

ESE Parent Surveys

Surveys are available to complete as of February 1, 2020

- Paper surveys are being distributed to students to bring home. They can be completed and mailed in the provided self-addressed stamped envelope.

- You can also complete the survey online at <http://www.esesurvey.com>

- You can also use this QR code to complete the survey:

Why does the ESE Parent Survey need to be completed?

Each year, the Florida Department of Education (FDOE) conducts a survey designed to provide FDOE and the United States Department of Education, Office of Special Education Programs (OSEP), with information on how well Florida's schools are partnering with parents and promoting parent involvement in their child's education. The survey is open to all parents of children with an individual educational plan (IEP) receiving ESE services from preschool age through grade 12. **The survey is available from February 1, through to May 31 of each year.**

Your participation and feedback is appreciated as it helps the state and local school system know how they can improve educational programs for students with disabilities.
