Dear Lee County Adult Education Lifelong Learning Students,

Due to the recent events regarding COVID-19, all School District of Lee County schools (including adult education) are closed through April 14, 2020. Anytime the School District of Lee County closes, all adult education locations and offices are also closed.

As a result of the school closures, all Lifelong Learning classes will be cancelled for the remainder of the school year. We are planning to resume our Lifelong Learning classes in August. If you are currently taking a Lifelong Learning class, you will receive a prorated refund for the remaining classes.

Please continue to monitor [www.leeschools.net](http://www.leeschools.net) and [www.leeschools.net/LLC](http://www.leeschools.net/LLC) for updates. In addition, we will send notifications to students via email as well as update our social media accounts (Facebook, Twitter, and Instagram).

Thank you,

Adult & Career Education
