Lee County Adult Education COVID-19 – Update #4 – 4/23/2020

Dear Lee County Adult Education (GED and ESOL) Students and Staff,

Due to the recent events regarding COVID-19, the School District of Lee County (including adult education) is closed for the remainder of the spring semester. Anytime the School District of Lee County closes, all adult education locations and offices are also closed. This does not impact our online classes. The online classes will continue as scheduled. If you would like to be transferred to an online class, please email Lisa Gumm at LisaMGu@leeschools.net or call our main number at 239-939-6310.

During this time, there will be no registration, no GED/ESOL classes at our eight locations, no TABE/CASAS testing, and no GED testing.

A decision regarding the status of summer classes will be announced in the upcoming weeks.

Students who are taking classes at one of our eight locations are encouraged to use their Aztec (GED students) or English Discoveries (ESOL students) programs to continue their learning from home. If you need assistance accessing your Aztec (GED) or English Discoveries (ESOL) accounts, please call our main phone number at 239-939-6310 or email us for assistance.

- Aztec Account Support: Lisa Gumm LisaMGu@leeschools.net
- English Discoveries Account Support: Nancy Stowell NancyJSt@leeschools.net

Please continue to monitor www.leeschools.net and www.leeschools.net/ace for updates. In addition, we will send notifications to students via email as well as update our social media accounts (Facebook, Twitter, and Instagram).

Thank you,

Adult & Career Education
